Complete copies of the covenants and other documents can be found on the website www.lenoxmill.com or by contacting our office.

Pet Reminders:

Please note that Leon County Animal Control Ordinance does not permit pets to roam freely. This pertains to dogs and cats. If you have a pet, please be sure to keep it on a leash.

This ordinance also requires that pet waste must be removed by the pet owner. Please be sure to carry a bag with you to dispose of pet waste properly.

Remember to lock your vehicle doors. Report any suspicious activity to the police: 606-5800.

The date for the community wide garage sale will be set at the upcoming board meeting. Be on the watch for the announcement/flyers.

Entrance:

We need residents to participate in an entrance beautification one Saturday morning. Please contact the management office to volunteer. If you see trash lying around our entrance, please pitch in and pick it up.

Vacation Time:

When traveling this summer, don't make your home an open invitation to thieves by letting your newspapers pile up on your driveway and not having any inside and outside lighting on. Let your neighbors know if anyone should be at your home while you are away.

Property Modification Requests:

*Before beginning any home additions or improvements please read the Lenox Mill Covenants and Restrictions document. Your plans **must be approved by the HOA Architectural Control Committee.***

Garbage cans should be placed at the curb the night before pick-up and promptly returned to the proper storage area.

BOARD MEETING:

The next Board of Directors meeting will be held on May 8, 2018 at the NE Library beginning at 6:00 p.m. Homeowners are encouraged to attend.
